Indiana News In Brief.

COLUMBUS.—Because they are the only blacksmiths in their neighborhoods, Vail Ullery and John Seelee have been excused from duty on the petit jury in the Bartholomew circuit court. Judge Wickens excused them because their absence would work a hardship on the farmers.

CONNERSVILLE.—A movable tank in the Whitewater creamery burst and 90 gallons of yellow cream went into a sewer. Fred Doenges, the owner, shed tears over the spilled milk.

RICHMOND.—The Richmond Gas Co. announced recently that users of gas must either present a guaranty bond or a property owner of deposit \$5 in cash before gas would be furnished them. The board of public works has issued a decree forbidding the collection of this deposit and instructing the public that its demand is illegal.

ANDERSON.—Three more saloons will open in Anderson as a result of the recent election. The commission decided that the population was shown to be 28,000, entitling the city to additional three parlors.

INDIANAPOLIS.—Figures compiled in the office of State Supt. Great-house show that 22,934 children in Indiana within the limits of school age did not attend school last year. A steady decrease in the number of students attending the higher grade is noted. The total enrollment in St. Joseph county for the year was 14,977 and the average attendance 10,965.

NEW YORK, Nov. 24.—Led by Mgr. Joseph O'Connell, 80 years old, who had risen from a sick bed, four Catholic priests early Monday rushed through smoke and flames in St. Mary's Star of the Sea church in Brooklyn and saved the sacred vessels. Meanwhile more than 500 parishioners, who had been aroused by the fire, knelt in the streets and prayed for the safety of the priests and the church. The fire was put out after \$10,000 damage.

10 CENT "CASCARETS" IS YOUR LAXATIVE

Best Liver and Bowel Cleanser and Stomach Regulator Known.

Get a 10-cent box. Put aside—just once—the Salts, Pills, Castor Oil or Purgative Waters which merely force a passage way through the bowels, but do not thoroughly cleanse, freshen and purify these drainage organs, and have no effect whatever upon the liver and stomach.

Keep your "insides" pure and fresh with Cascarets, which thoroughly cleanse the stomach, remove the undigested, sour food and foul gases, take the excess bile from the liver and carry out of the system all the constipated waste matter and poisons in the bowels. A Cascaret tonight will make you feel great by morning. They work while you sleep—never gripe, sicken, and cost only 10 cents a box from your druggist. Millions of men and women take a Cascaret now and then and never have Headache, Biliousness, Coated Tongue, Indigestion, Sour Stomach or Constipated Bowels. Cascarets belong in every household. Children just love to take them.—Adv.

TO CURE A COLD IN ONE DAY Take LAXATIVE BROMO QUININE Tablets. Druggists refund money if it fails to cure. E. W. GROVE'S Signature is on each box. 25c.—Adv.

WASHINGTON, Nov. 24.—The U. S. leads the world in the manufacture of
